

## Uniform Policy

The Field School maintains an official standard of dress with a school uniform. Students are required to be in uniform whenever they are at school or at most school-related functions. Students are encouraged to think of their attire as an aspect of their work. This helps foster an attitude of submissiveness to school authorities, eliminates social competition regarding dress, which fashion tends to promote, teaches the students to focus on habit development and academic learning rather than in self-expression, fosters a sense of identity with the school and the student body as a whole, and strengthens the spirit of the school community.

The Head of School and the Dean of Community Life, with active support of teachers, assume responsibility for enforcing the Uniform Policy. Teachers check uniforms each morning, and use the Uniform Infraction Notice to inform parents of unsuitable clothing. Teachers follow up with a parent if there are repeated violations. Dress uniforms are worn at least once a week (Wednesdays) for Chapel, and for special occasions and field trips throughout the school year.

All monogrammed items are available at [www.SchoolBelles.com](http://www.SchoolBelles.com)
